

**Wollombi Community Garden
with Wollombi Public School growing our future.**

Wollombi Community Garden is currently raising money to build our “Vegie Patch” and we would like to ask for your support. We are gathering gardening items for a raffle; tickets will be on sale at the Schools Tree Planting Day and for the month of August. If your family could donate an item please leave it in the basket in the office. Items could include: pkt seeds, books, hand tools, watering can, apron, rain gauge, cookbooks, bucket, pots.

Thank you for your support

Wollombi Community Garden Team.
